HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No. 24553 of 2006

-

O R D E R:

The petitioner is a retired government employee. He states that his wife, by name Nagamani, had undergone treatment in Nizam's Institute of Medical Sciences, as an out-patient, under one Dr.D.Seshagiri Rao. He submitted a claim for reimbursement of medical bills, to the tune of Rs.12,686/-, in the office of the Administrative General, his former employer. The claim was returned with certain objections. Petitioner challenges the same.

Heard the learned counsel for the petitioner and learned Government Pleader for Medical and Health.

The employer of the petitioner raised, as many as 4 objections, such as, the purchase bills not supported by doctor's prescription, prescription not supported by testing fees and reports, etc. Those are the requirements under the relevant provisions of law. Unless the petitioner complies with the same, the 4th respondent cannot be expected to clear the bills. The petitioner can take necessary steps to comply with these objections.

Hence, the writ petition is disposed of, leaving it open to the

petitioner, to comply with the objections, raised by the 4th respondent, and submit the claim, afresh. As and when such claim is presented, the 4th respondent shall consider the matter, in accordance with the relevant provisions of law. There shall be no order as to costs.
